2010-2011 MY

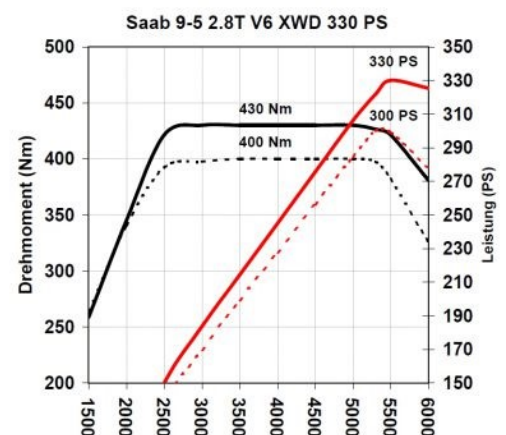

330HP/430Nm Performance upgrade

2.8T Turbo 6 270004060

The most powerful Saab to ever have a factory warranty.

With the performance upgrade from Hirsch Performance, the 2.8TV6 delivers 330 hp and a maximum torque of 430 Nm available over a wide rpm band.

The turbocharged power plant accelerates the new Saab 9-5 from 0 – 62 mph in only 6.1 seconds and reaches a top speed of 161 mph.
